Consistenza Contatti

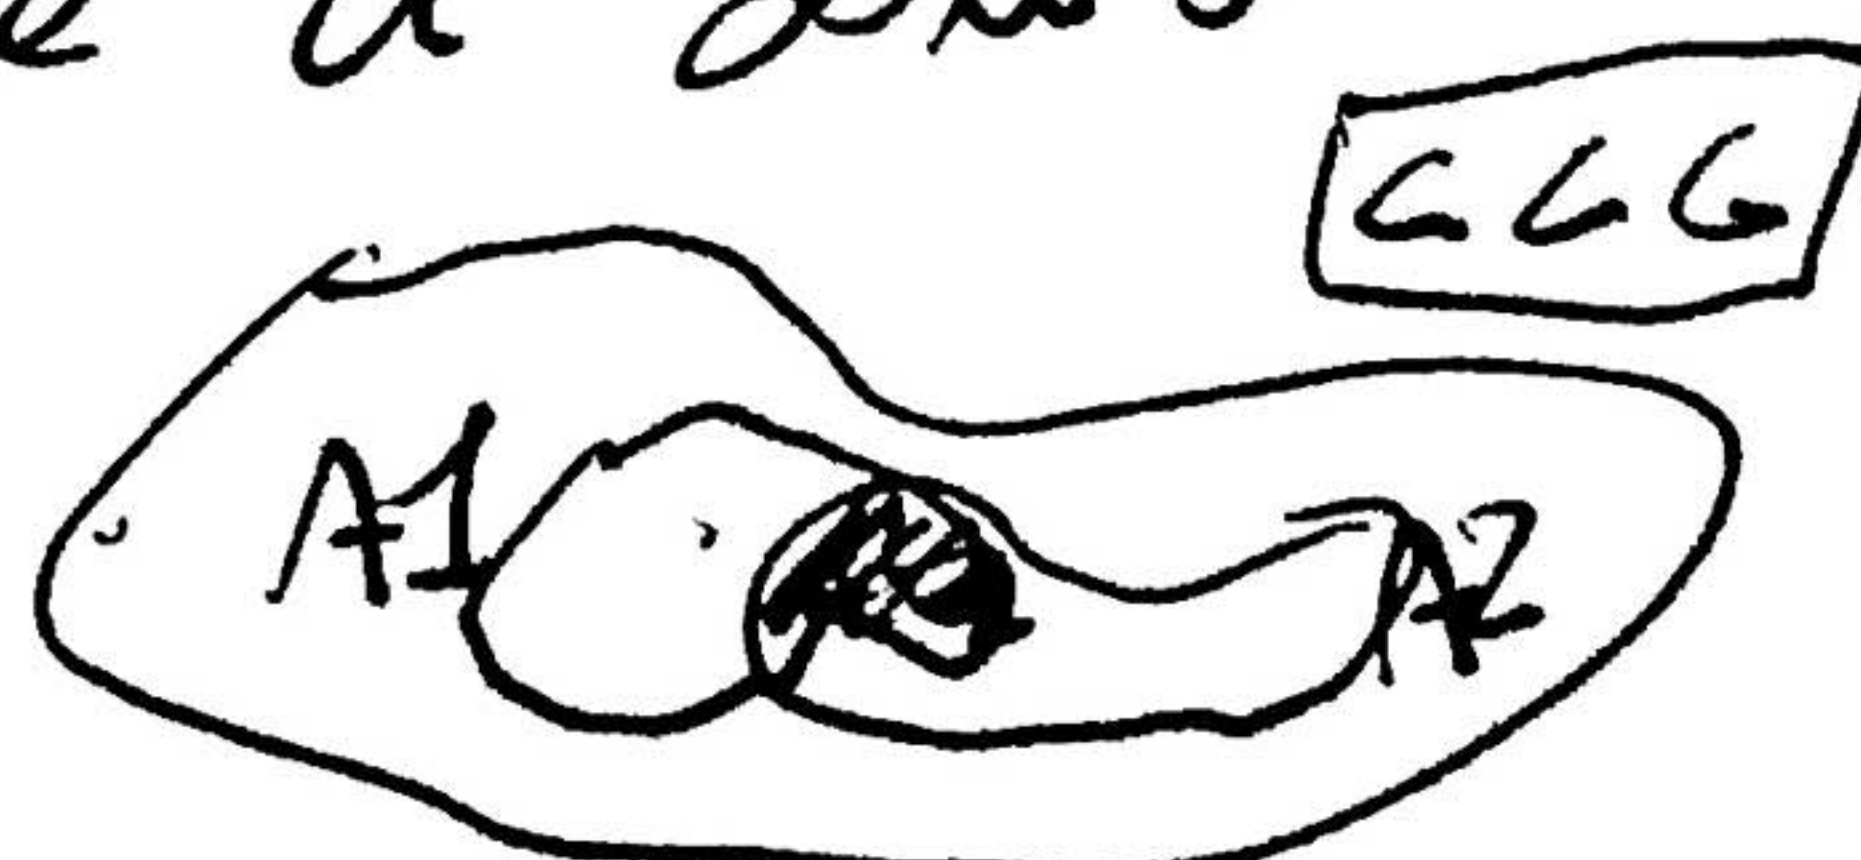

IN TEORIA IL controllo Gestione dovrebbe essere
 Coperto dalle consistenze dei Contatti
 AFF. completamenti. (UNIONE DISGIUNTA)

Se Questo NON è vero possono
 esserci problemi gestionali.

Per cui CCG deve essere UNA UNIONE

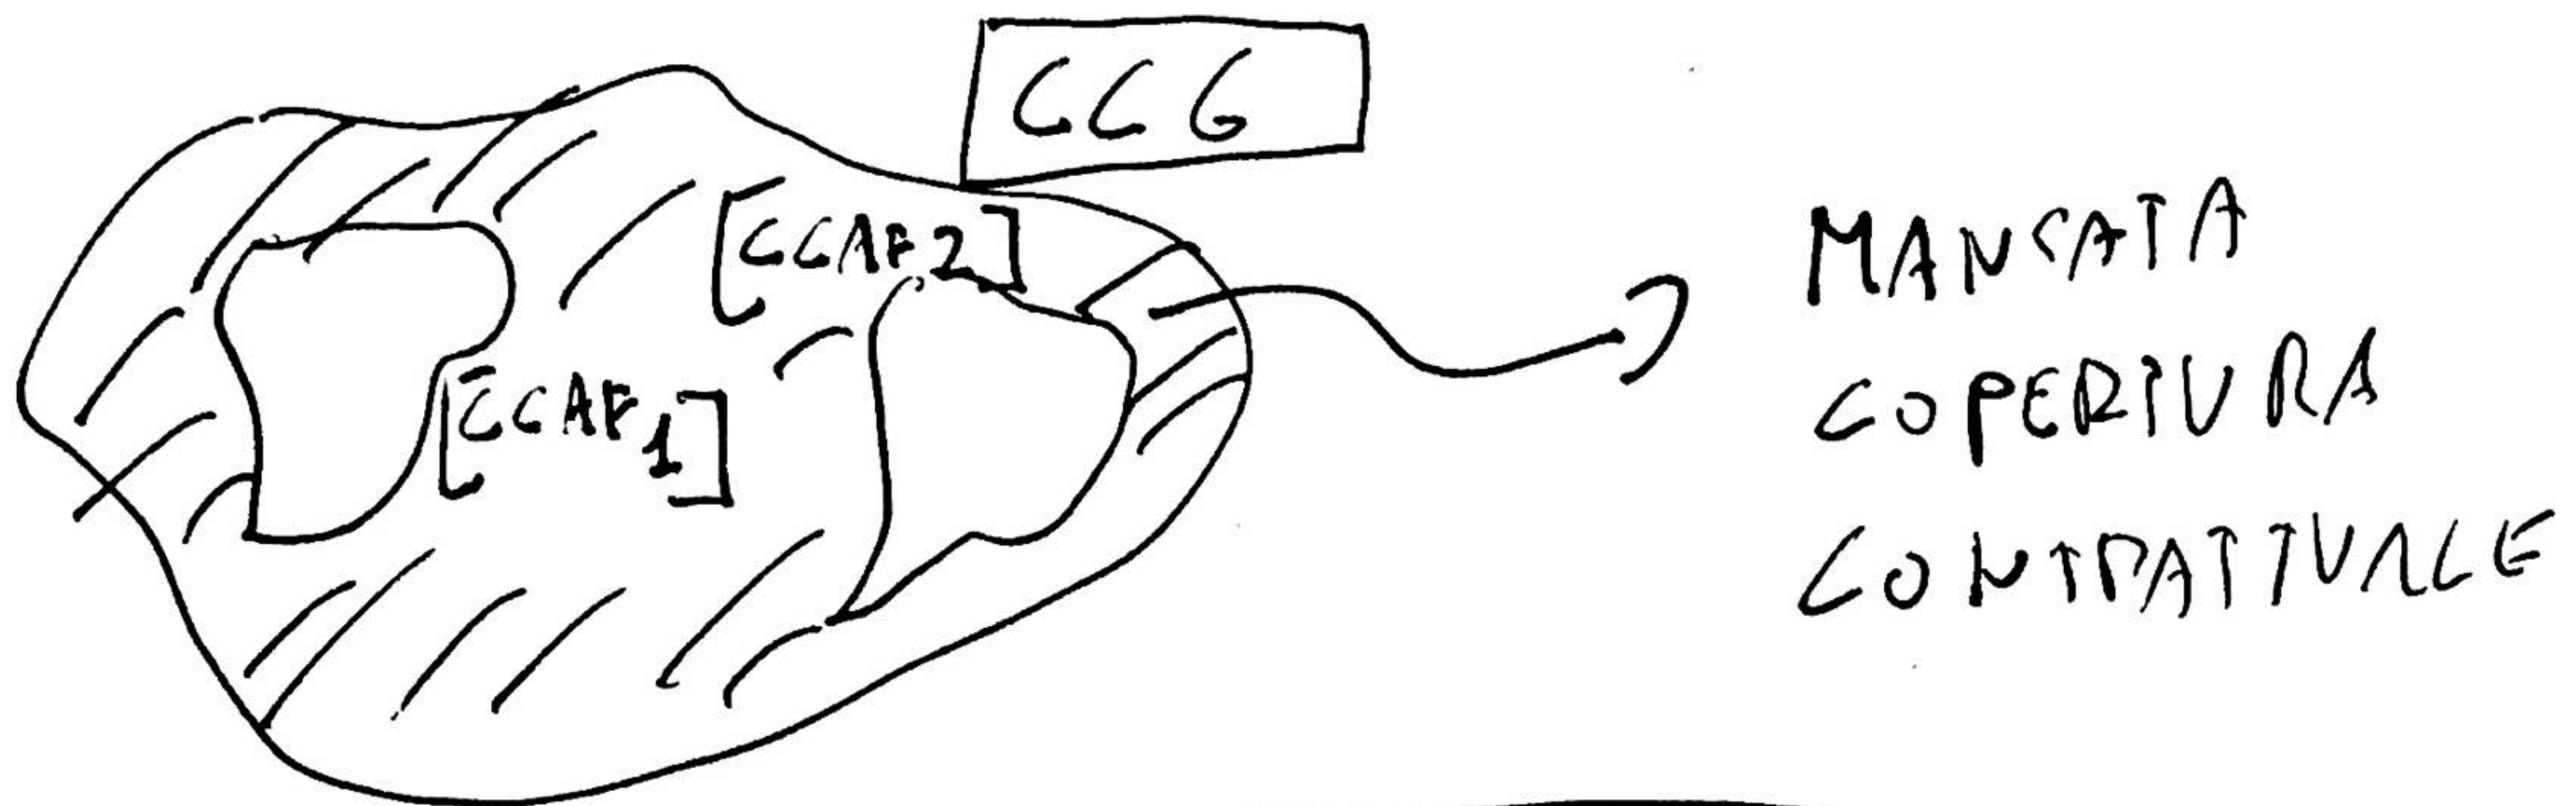

COMPETA DI $CCAF$. Se ci sono

intersezioni di $CCAF$

Possono ESSERE PROBLEMI Gestionali.

5) MA ci sono problemi anche se

$$CCG \neq CCAF_1 \cup CCAF_2$$
